

Falls Creek

Falls Creek is one of Australia's finest ski resorts dedicated to families and terrain park enthusiasts. Based in the heart of Victoria's high plains, Falls Creek receives the most snowfall of all Victorian resorts making Falls Creek the most reliable you'll find; we back this with a snow guarantee.

Offering the largest ski area to explore, you'll always find something. We've been voted #1 for terrain parks with four parks to suit beginners through to experts. There's a stack of stuff to do after a day on the slopes, with snowbiking, snowtubing, ride your own snowmobile, snow bungee, Pete the Snow Dragon shows, snoce, helicopter flights, grooming tours, mini rail jam sessions and more. The village is absolutely beautiful. The streets remain snow covered in normal conditions so you can ski to and from the slopes. Hassle free. The only true ski in ski out resort in Australia.
