

# Hotham

Hotham is the highest snow resort in Victoria and is unique in the fact that the village is on top of the mountain. Affectionately known as the 'Powder Capital', Hotham has 14 lifts and over 80 downhill runs, from gentle beginner slopes to advanced pitches that test the best, as well as an adult and children's snowsports school that caters to all levels.

There is also a certified day care centre, plenty of shopping, restaurants and nightlife, not to mention kat skiing, sunset tours, grooming tours and mini-skidoo rides for the kids. A snow holiday at Hotham is also a chance to pamper with two day spas offering beauty and therapy treatments, in addition to a hydro pool, Japanese Onsen and gymnasium at Dinner Plain.
