

Mt Buller

An easy 3 hour drive from Melbourne, Mt Buller is Australia's most accessible major snow resort. High in the snowfields, the Village is charming with quaint lodges, luxurious hotels and modern apartments positioned so you can ski to your front door. There is a fantastic selection of restaurants, cafes and bars and a variety of shops. With rugged ridges, cliff drops and tree runs, Mt Buller is a natural playground.

Buller features freeride terrain parks to challenge all levels of skiers and riders. There are lots of exciting new features in the Skyline terrain park again this winter and check out the redeveloped half-pipe which offers a complete terrain garden of rails, jibs and hip jumps. Mt Buller offers an abundance of activities on and off the slopes including snowtubing, snowshoeing and tobogganing. Grab an après drink and enjoy the mountain vibe!
